Reception

Come in and feel at ease: the reception area is the first aspect of a company that visitors see. First impressions count – and high-quality furnishing solutions and furniture systems help create a pleasant and welcoming atmosphere that people will remember.

Waiting

If you have to wait a while, comfortably furnished waiting areas create a sense of calm and comfort. A stylish sofa or a comfortable chair provides a moment of relaxation before a job interview and guarantees that meetings can start on a relaxed note.

Communication

Modern workplaces are true all-rounders: they function as a meeting point for creative exchanges and offer a haven for focused work. That's just as true for open-space workplaces as for group and single offices. That is why it's so important to have innovative and functional seating furniture that provides solutions for every requirement.

Lounge areas

Take a break, have a chat or develop new ideas – comfortably designed lounge areas with attractive furnishing solutions are perfect for relaxing during the working day, and provide space for creativity.

Reception

A company's reception area makes the first impression on visitors. With a friendly and distinguished design, you can welcome visitors and create a feeling of wellbeing. To achieve this kind of inviting furnishing, Consento offers a range of options that combine attractive design with stylish cosiness.

A welcoming reception

You never get a second chance to make a first impression. That is why the timeless furnishing solutions of the Consento series welcome visitors with a balanced fusion of elegance and cosiness. Elegant chairs and stylish sofas – all the models in the soft seating collection are real eye-catchers and set new standards for seating comfort in reception areas.
